

## FiberGraphic™ Table Tennis Table Specifications

FiberGraphic™ Table Tennis Tables are built to last for a lifetime of ITTF regulation play, indoors or outdoors. Each FiberGraphic Table Tennis Table comes with a high-quality, regulation net, including easy-to-remove net posts. And each table meets the ITTF specification for flatness, with four adjustable leveling feet that can retract flush or extend for up to 1 inch (25 mm) to assure that the table is level. All FiberGraphic Table Tennis Tables are covered by a 5-year limited warranty (1-year limited warranty on the tabletop image).

### Materials of Construction:

Table & legs	Composite, glass-reinforced with foam core
